

Webex Meetings

# Using web conferencing tools to enhance collaboration, learning and teaching experiences

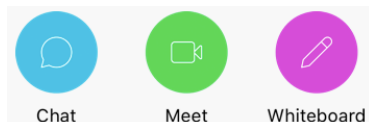

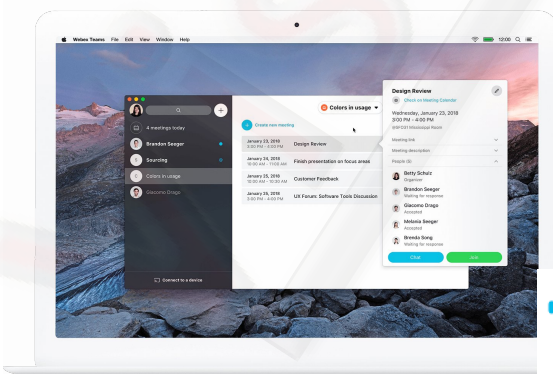

- Universiti Sains Malaysia

Our team and partners are certified to deliver all the Cisco Collaboration products. The Webex Teams solution is the greatest way to enhance the meeting not just from the PCs, but all types devices especially the Net-Gen students.

Send important information via direct and team messages, where they can be read and responded to right away—or flagged for follow up later.

VisiDynamik continues to support and maintain Cisco Webex Enterprise / Teams subscriptions from year to year. The integration with **Cisco Unified Communications Manager** and **TelePresence Management Suite** (TMS) in 2018, the meeting can now deployed in both web-based and hardware-based platform. Cisco solution works whether on the go, at a desk, or together in a meeting room, Webex Teams helps speed up projects, build better relationships, and solve business challenges. It's got all the team collaboration tools you need to keep work

Serving with passion and gratitude

2015 - 2020 Videoconference Solution - Cisco Webex
